SUMMARY

Fresher Full Stack Web Developer with a 3-month internship (May 2026 – Aug 2026) on a live loyalty and referral platform, working with React.js and Django REST Framework. Experienced in building responsive React interfaces and integrating REST APIs, and delivered a client e-commerce website as a freelancer. Diploma in Information Technology Engineering (CGPA 9.5). Seeking a React, Full Stack or Web Developer role, or a remote internship, in India.

TECHNICAL SKILLS

Frontend: React.js, JavaScript, HTML, CSS, Tailwind CSS, Responsive Design, Lucide-React

Backend: Python, Django REST Framework (DRF), REST API Integration

Databases: MySQL, MongoDB

Other Languages: Java, C

Tools: Git, GitHub, Visual Studio Code, Vercel

EXPERIENCE

Full Stack Web Development Intern – Patrixel Digital Solutions May 2026 – Aug 2026

- Worked on ReferValueCard, a live loyalty and referral platform for merchants and customers, across the React.js frontend and Django REST Framework backend.
- Built responsive, user-friendly React.js interfaces in collaboration with the design team.
- Contributed to Django REST Framework backend services and integrated REST APIs with the React frontend.
- Used Git for version control while working in a team.

Frontend Web Developer – Freelance (Avocado Herbal Products) [March 2026]

- Built a responsive e-commerce website for a client using React.js, HTML, CSS and JavaScript, including product listing and smooth navigation.
- Handled client communication throughout the project.
- Live Demo

PROJECTS

ReferValueCard – Loyalty & Referral Platform (Internship Project) | React.js, Django REST Framework, MySQL

- Merchant–customer platform with referral and loyalty workflows, a REST API-driven frontend and a responsive UI.

Self-Care Assistant | React.js, Lucide-React, HTML, CSS, JavaScript | Live Demo

- Web app to track workouts, water intake, meals and motivational quotes, built with reusable components and localStorage support.

AI Interview Preparation Portal (Group Project, 2 members) | HTML, CSS, JavaScript | Live Demo

- Collaborative, responsive portal for AI-based interview practice.

Personal Portfolio Website | HTML, CSS, JavaScript | Live Demo

- Responsive portfolio showcasing skills, projects and contact information.
